

JOB POSITION FOR RESEARCH CHEMIST

Wellington Laboratories Inc. is an internationally known supplier of environmental reference standards for use in environmental analysis and toxicological research (<http://www.well-labs.com>). The company operates in a modern technical facility in Guelph, Ontario. The company's foundation is based on its staff, which possess a strong combination of synthetic/organic and environmental/analytical backgrounds.

We currently have an opening for a Research Chemist.

Position Summary:

The candidate will have the responsibility to:

- Be the primary operator of a Waters Xevo G2-XS Quadrupole Time-of-Flight high resolution mass spectrometer.
- Perform quality control testing on Wellington's certified reference standards and environmental reference materials.
- Perform quantitative analysis of environmental contaminants in real samples by HRGC/QTOF-HRMS, HRGC/MS/MS and LC/MS/MS.
- Perform data processing/internal data reporting using established TargetLynx methods and create new TargetLynx methods when needed.
- Perform data extraction and interpretation.
- Support research initiatives.
- Trouble-shoot chromatography and other instrument issues.
- Perform instrument maintenance.
- Adhere to the requirements of Wellington's Quality Management System (ISO 9001:2015, ISO/IEC 17025:2017, and ISO 17034: 2016).

Requirements:

- MSc (or BSc with equivalent experience) in Analytical Environmental Chemistry.
- Previous experience on various MS platforms and with data processing software.
- Excellent oral and written communication skills.
- Excellent attention to detail.
- Be able to work efficiently and independently.
- Have advanced computer literacy and organizational skills.
- Be able to maintain high work standards and pay close attention to detail.
- Be able to work independently and as part of a multi-disciplinary team.
- Be self-motivated and able to manage a variety of projects at one time.

Salary – to be negotiated

Position Status – Full time, employee

Closing date – June 28, 2024

To apply, please submit a resume (that includes a summary of your relevant experience) and contact information for three references to:

Wellington Laboratories Inc.
345 Southgate Drive
Guelph ON, N1G 3M5
Email: careers@well-labs.com
(subject line: Research Chemist)

No phone calls please.

Only those candidates selected for interviews will be contacted and we thank all other applicants for your interest.
