

JOB POSITION FOR SYNTHETIC ORGANIC CHEMIST

Wellington Laboratories Inc. is an internationally known supplier of environmental reference standards for use in environmental analysis and toxicological research (<http://www.well-labs.com>). The company is comprised of a Reference Standards Division, a Research Division, and an Analytical Division operating in a modern technical facility in Guelph, Ontario. The company's foundation is based on its staff which possesses a strong combination of synthetic/organic and environmental/analytical backgrounds.

We currently have an opening for a Synthetic Organic Chemist in the Reference Standards Division.

Position Summary:

The candidate will have the responsibility to:

- Provide input on the feasibility of synthesizing new target compounds.
- Execute synthetic routes to acquire target compounds.
- Provide input on method development for the synthesis of target compounds.
- Perform small scale laboratory experimentation and purification.
- Perform analytical testing to characterize precursors and final products.
- Practice laboratory safety.
- Maintain laboratory notebooks.
- Follow the Quality Management System (ISO 9001:2015).
- Keep up with the scientific literature.

Requirements:

- Graduate degree (MSc) in Synthetic Organic Chemistry.
- Experience in interpreting GC/MS and LC/MS data.
- Adept in interpreting NMR data.
- Excellent oral and written communication skills.
- Advanced computer literacy.
- Able to maintain high work standards and pay close attention to detail.
- Ability to work independently and as part of a multi-disciplinary team.
- Willing to take direction from, and be mentored by, senior Research Scientists.
- Self-motivated and able to manage a variety of projects at one time.

Salary – to be negotiated

Position Status – Full time, employee

Closing date – December 14, 2018

To apply, please submit a resume (that includes a summary of your relevant experience) and contact information for three references to:

Wellington Laboratories Inc.  
345 Southgate Drive  
Guelph ON, N1G 3M5  
Email: [careers@well-labs.com](mailto:careers@well-labs.com)  
(subject line: Synthetic Organic Chemist)
